Also, a special presentation by:

Mitch Schneider

"We've all made resolutions we failed to meet or commitments we failed to keep. We've all said we were going to do things we've never done.

The big question is, Why?

Explore some of the reasons for this kind of counter-intuitive behavior and a few powerful and positive ways to help when you're in the process of *GETTING UNSTUCK*: ways to move from *Knowing* to *Doing* and from *Thought* to *Action*."

Mitch Schneider is a fourth generation "shop owner/mechanic/technician" recognized as a champion of service dealer and technician causes.

He is a frequent speaker at major conventions and meetings of automotive industry trade organizations, where he addresses the challenges and problems affecting the automotive service industry and has presented for some of the nation's largest and most successful automotive organizations.

Mitch is an award-winning journalist and Senior Contributing Editor for **10 Missions Publishing** appearing in **Ratchet + Wrench** magazine and on **RatchetandWrench.com**. He is also the author of an eight-volume Automotive Service Management Series published by Cengage Learning.
